PROFILE

Driven and detail oriented emerging web developer looking to obtain a position that utilizes and builds upon my collegiate, internship, and professional experiences in creative and innovative ways. I notice the details, and I'm an expert problem solver.

WORK EXPERIENCE

Web Developer, VICI

October 2018- Present

Gig Harbor, WA

- Assist and implement the design of around 5 websites in a fast-paced environment
- Create and update CSS and HTML as assigned and needed to keep websites up to date
- Manage SEO practices to improve website traffic through Google Analytics
- Edit and improve InDesign documents and upload them to websites for easy access to company product information
- Implement email campaigns through MailChimp to extend brand awareness and increase sales

Web and Media Intern, VICI

August 2018-October 2018

Gig Harbor, WA

- Reworked and developed the VICI websites on the Shopify e-commerce platform using HTML and CSS
- Built web and email campaigns to extend the company's reach and increase brand awareness
- Collaborated with other team members on the design of email marketing campaigns and website design

EDUCATION

B.S. in Computer Science

August 2014 - May 2018

University of Puget Sound, Tacoma, WA

- Women's Varsity Soccer
- Phi Eta Sigma Honors Society
